Happy & Prosperous New Year 2012

Dear Well-wishers,

'OUR DREAM OF CONSTRUCTING A PERMANANT HOME FOR THE DESERVING IS BEING TRANSLATED TO REALITY'

After great length of time and constant follow-ups, at last the GHMC has given a nod for our revised plans for which we are ever thankful to the GHMC Officials.

This would not have been possible but for the personal interest bestowed by our beloved MLA (LB Nagar) Sri D Sudheer Reddy Garu, large hearted philanthropist Sri K Upender Reddy Garu, (MD Infratech) and Sri Rama Krishna Garu (Structural Engineer) who evinced keen interest on our project making the plans to provide a best structure to our AVGians. Our building committee members viz, Lions Club Dist Governor Sri K Sai Baba (Chairman), Sri G Kondal Rao (Chief Engineer-Public Health), Sri V Narsi Reddy, Sri K Sambasiva Rao (Rtd Chief Engineer), Sri J Sesimohan, Sri K Srinivasa Reddy, Sri V Ravi Kumar (HR Consultant), who along with the undersigned made their hectic efforts to get the plans processed and approved. We express our gratitude to each of them. Now that all the clouds are cleared, we can confidently march ahead to initiate the construction work.

It is pertinent to thank Sri B Satyanarayana Reddy Garu who is not only former Governor of Uttar Pradesh but a freedom fighter and an old student of AVG who has blessed the project of AVG. Sri K Saibaba Lion's Club Dist Governor was not only pursuing our efforts but also promised to muster all his organisational contacts for augmenting any financial support for our cause.

We are equally thankful to our Financial Advisor Sri M Prabhakar Reddy and our Chartered Accountants M/s K G Maniyar who have been guiding AVG all along. We also thank our organizing secretary Sri Mahatma who is associating and guiding our AVGians.

With these developments we are definitely motivated and soon we can see the 'AVG Golden Jubilee Home' project completed and dedicate the permanent Home to the needy and deserving students who with their determination can study with merit by staying in Hyderabad.

We bow our head with reverence to all the well wishers and seek their support and patronage to complete our mega project. We shall report to you developments from time to time.

With warm regards,

Yours Sincerely,

(C.V. RAGHUVVEER)
PRESIDENT

(M. RAJESH)
GENERAL SECRETARY

Editorial Desk.....

Entering the New Year 2012 we are at threshold of universal facelift which would be a certain by end of the year as per predictions of Spiritual Scientists and calculations of Geographical Scientists. It's a rarest aspect where there is complete endorsement between these two branches of Scientists. As they declare, part of the facelift the Earth Planet will be repositioned resulting in visible changes on the Earth. Let us trust the changes must raise the Kind Hearted People, Love Natured Human Beings and the New Age Philanthropists (NAPsters) in society of the day. Let us hope they come forward and join together to standby the needy and hopeless to realize their life goals and stand on their own. The AVG marching ahead all along in such path for decades. It is most appropriate to note that the AVG is a right platform for the NAPsters to extend their helping hand towards the society.

'AVG' in a word.....

Being a self administrative social organisation running cent percent on the voluntary subscriptions and donations by the philanthropists for several years the AVG has been striving for providing all round support to the orphans, semi-orphans and the deserving poor boys to accomplish their dreams of higher studies. The boys selected in the interview for admission into AVG will be provided with free lodging, boarding, living cloths, general expenditure, text books, note books and other study expenses. Even the AVG helps the boys to get admissions mostly on compassionate grounds in reputed colleges & institutions in and around the Hyderabad city, as per their merit and eligibility to pursue various courses and degrees including professional courses like engineering, computers, business administration etc. In fact it is correct to say that if a student got admission in the AVG is a great turning point in his life as the AVG stands by all along an AVGian to pursue his higher studies without any hurdles.
